van de graaff generators

Displacement Vessels,
Collecting spheres,
Parabolic reflectors,
Calorimeters in all metals
and
Spark Discharge balls.

We also offer the following products:

- Copper Steam Generators
- Parabolic Reflectors
- Spirit Lamps
- Casseroles
- Beakers
- Bespoke items upon request...
- Polished Nickel, Stainless Steel, Titanium, Inconel and Zirconium Crucibles.
- Stainless steel, aluminium, steel and many other metals for sampling dishes.
- Stainless steel, aluminium or steel rimmed and spouted beakers.
- Stainless steel, aluminium or steel rimmed beakers with handle and spout.
